Chifley Public School Mission Statement

Chifley Public School is committed to the pursuit of excellence and the provision of equitable, high quality educational opportunities.

FROM THE PRINCIPAL'S DESK

NSW EDUCATION WEEK 2018

Chifley PS is committed to the notion that learning has the power to put aspiration in reach of every child within our school and that learning has the potential to make real the promise of equity and excellence that defines us as

a school community. We are dedicated to the provision of quality resources and opportunities for every single student, whether it is in our mainstream classrooms, whether our students are gifted or whether they just need a helping hand. It is about ensuring that every child has a fair go at success and that every child has a chance to use their talents and abilities to contribute to their success.

As a school, we are committed to the equitable access of best practice educational opportunities for all our students. As an example, we currently have 15 school based co-curricular activities open and cost free to our students; this equates to 3 a day. The take up rate continues to be incredibly strong. We have a great problem at CPS – our students need to make choices on a day to day basis of what they want to attend! With this in mind, an enormous thank you goes to our teachers for their ongoing commitment to our students.

During Education Week last week, it was delight to be able to showcase the broad range of inclusive educational opportunities accessible to all our students at CPS. And, it was wonderful to see so many of our mums, dads, family members

and friends for being part of our Education Week Celebration. Education is a shared journey and your involvement in school life makes a significant difference to student outcomes.

BOOK WEEK – WEEK 6

This year's theme for Book Week is **Find Your Treasure**. In the Library, Mr Lewis will be celebrating the Children's Book Council of Australia short listed books for 2018 along with treasured Australian authors and illustrators.

On Wednesday, 29th August we will share our treasured book characters through the pageantry of **CPS Book Parade**. Costume designs are only limited by our imagination. Are we going to see a very hungry caterpillar this year and are Pig and Trevor going to make appearance? The Book Parade will start at 9:15am and parents and carers are encouraged to join us (even in costume) for what is always a fun morning. And, as a reminder, the P&C will be holding a fundraising cake stall on the day.

Book
Week
Parade

On the day, we will also be supporting the Indigenous Literacy Foundation by participating in the **Great Book Swap**. The Great Book Swap aims to help raise funds to lift literacy levels and improve the lives and opportunities of Indigenous Australians living in remote and isolated regions.

What is the Great Book Swap? The Great Book Swap challenge is a fundraising event where students make a gold coin donation and swap books with one another.

How does it work? – It's simple!

Step 1:

Bring in a **book** you love but can bear to part with and give to your teacher with a **gold coin** donation.

Your books and a gold coin donation can be brought into school **now** and given to your class teacher.

Step 2:

On Wednesday 29th August (the day of the Book Parade) choose a book from the display tables.

Step 3:

While you are enjoying your new book remember that you are supporting your own literacy development as well as the outcomes of others.

This is a fantastic programme and a great opportunity to support Indigenous Australians living in remote and isolated regions.

BURKE ST - DROP OFF AND PICK UP

To improve road safety controls around our school, Randwick City Council has advised that they will be undertaking work to install a 50m zone "P10 8:30am – 9:30am and 2:30pm – 4:00pm School Days Only" on the south side of Burke St starting 76m east of Mitchell St.

THANK YOU!

Thank you to Dante's mum Herni for bringing in the most delicious cakes for our staff, a watermelon strawberry cake and a vegan chocolate popcorn cake from Blackstar Pastry! Herni thought that to celebrate Education Week, she would spoil our teachers and staff for all their hard work. Thank you so much Herni.

As Principal of Chifley PS, I strongly believe that education is a shared journey. My office door is always open if you would like to discuss any issue regarding your child's education.

STUDENT ACHIEVEMENT

Tamia P, Stacey L, Kory T, Indiana J, Lola H and Kyra Q participated in **Yarn Up** recently and presented their speeches at NSW Parliament House. The children should be extremely proud of their efforts. I received numerous text messages and emails to tell me what an amazing job our students did presenting their speeches – a big well done.

Heidi B in 5S, recently received 1st place at a Classical Ballet competition in Ingleburn and a week ago achieved 3rd place in the Classical Ballet section of a large competition at The Roundhouse in Kensington. The first place award went to a ballerina from the New South Wales Ballet School so Heidi's third place was an outstanding achievement. Congratulations Heidi.

LIBRARY NEWS

PREMIER'S READING CHALLENGE

The 2018 Challenge closes **Friday 31 August** (midnight) for **students**. The Challenge gives students the chance to keep a personal log of all the books they have read throughout the year. It is also a valuable tool for encouraging students of Chifley Public School to spend more of their spare time reading.

- K-2 students have been experiencing PRC books in class and during library times. They do not need to enter these into their personal reading logs; this will be done for them prior to the completion of the challenge on September 1st.
- 3-4 and 5-6 students are encouraged to complete their own records online. They must read a total of 20 books. 15 books must be on the PRC booklist and 5

can be of their own choosing. Students will be given time during their allocated class library time to submit entries in their personal reading logs.

- Students that would like to enter books into their logs at home may do so by visiting the Premier's Reading Challenge website.

Students can log onto the website using their DET User IDs (Portal username) and passwords.

ENVIRONMENT REPORT

COLGATE COMMUNITY GARDEN CHALLENGE

Thank you to all those families who have donated their used toothbrushes and toothpaste tubes for recycling. To earn extra points for our school in the challenge simply follow the link below and vote for Chifley Public School.

<https://www.terracycle.com.au/en-AU/contests/colgategarden-voting>

Please continue to drop your oral care waste in the box outside Room 13. The challenge continues until October 31st.

WASTE FREE WEDNESDAY'S

Our first two Waste Free Wednesday's went very well. 1/2 J were very proud when we looked at everyone's lunch box and found that we did not have any rubbish that would go to landfill. All the rubbish we had could either be recycled or go straight to our compost bin. Eight students had lunches that were all packed in reusable containers. Many thanks to the students and their families for helping to reduce the waste in our school and local environment. Waste Free Wednesday's will continue for the rest of the term.

On average we are saving 3 bags of soft plastic from going to landfill every week. Any soft plastic that you can scrunch in your hand can be recycled through the Red Cycle Program. Boxes can be found at the front of Woolworths or Coles supermarkets. Anyone who is able to take and drop off a bag of this recyclable plastic please see your class teacher.

JUICE BAR

Our first Juice Bar was very successful and we raised \$283 for the school. Mr North's Tropical Surprise was a big hit! Keep a look out for the next date for our Juice Bar. If anyone has any spare time to help us with juicing at our next event please see Mrs Tyler or Mrs Jreige. Many thanks to students and their families for their support. No juice went to waste as what was leftover was frozen into ice blocks. We have sold about half of our juices so bring \$1 on Thirsty Thursday if you would like to try a watermelon, orange or tropical ice block.

THE WAR ON WASTE CONTINUES...

The *War on Waste* may be finished on ABC, however the battle to reduce our waste and make a difference in our everyday lives continues.

It's not about making massive life changes like banning plastic all together, but about how we can all make small changes that in the end, will result in a huge impact. Imagine if every single person just made one small change like using a reusable coffee cup or water bottle...

What can you change to really help tackle the *War on Waste*?

http://www.abc.net.au/ourfocus/waronwaste/?utm_source=sfmc&utm_medium=email&utm_campaign=%5btv_sfmc_30_07_18_war-on-waste_df_in1%5d%3a125&user_id=796543d23a92cb0c4b53e1131566864e9c8e8e1696898489927153aada967f0c&WT.tsrc=email&WT.mc_id=Email%7c%5btv_sfmc_30_07_18_war-on-waste_df_in1%5d%7c125&utm_content=WOW_hero_CTA

WRAP UP – OUR TOP 5 TIPS

- Grab a reusable coffee cup and water bottle pronto and remember, Australian tap water is clean, safe and delicious.
- Ditch the plastic bags. Get a dozen reusable bags and keep them by the front door or in the boot of the car, that way you can't forget them!
- Say NO to straws! Or purchase a reusable set to carry in your bag
- Shop local and seasonally. If it's grown locally, it minimises the distance the food travels before it reaches your plate, reducing the carbon footprint on the Earth.
- Reuse, sell or donate. If your furniture or unworn clothing is in good shape, you can give it away, sell it online or donate it to a second-hand store.

HOT TIPS FROM YOU! OUR WASTE WARRIORS

- Live in an apartment building and your neighbours aren't recycling properly? Pop up some how-to posters in the garbage room.
- Check out if your local grocery chain store has a recycling station - if it does, use it!
- Use the mushroom bags instead of plastic bags for your loose fruit and vegetables. They're paper they are fully recyclable, plus they help your produce last longer in the fridge.

- Buy your own set of reusable cutlery and a straw and keep it in your bag for everyday use. No need for a plastic fork with your lunch.

Supported Playgroups

Supported playgroups aim to empower families to support young children's development through participation in a variety of developmentally appropriate play. Supported playgroups are led by qualified early childhood educators and allow families to participate in a range of new activities and experiences.

Our staff are qualified in Blue Book assessments, key word signing, active play and healthy nutrition as well as guest speakers coming regularly. We also have a family worker who attends all our playgroups, if you need that little bit of extra help.

To enquire please contact our Family Support Team on (02) 8338 8506 or email familysupport@secc.sydney
