FROM THE PRINCIPAL'S DESK

NAPLAN – YEAR 3 AND 5 STUDENTS

NAPLAN is a point in time window into student performance and progress. As a diagnostic, it supplements a broader school based assessment schedule where by quantitative and qualitative

data is unpacked, learning needs identified and responsive teaching and learning programmes implemented. If parents/carers have any questions around our holistic educational model, NAPLAN or our tiered approach to supporting identified learning needs please contact me. I would be delighted to answer any questions you may have.

Well done to our Year 3 and 5 students for their application in the National Assessment Program Literacy and Numeracy (NAPLAN) tests during Week 3. Our students are to be commended for their effort and positive attitude over the 3 days of testing.

MITCHELL ST

Mr Dabron and Randwick City Council were hard at it this week with stage 2 of the Mitchell St regeneration project. There are multiple stages attached to the project with a deliberate emphasis on using local native grasses, flowering shrubs and trees to regenerate the streetscape. It's starting to take shape although there is plenty of more work to be done.

SCHOOL HATS

CPS is a Sun Smart School. Students are required to wear CPS hats during recess and lunchtime play. School hats can be purchased through the office. Please ensure that school hats are clearly labelled along with any other items of uniform.

MRS TYLER

This week we welcome Mrs Tyler to our staff. Mrs Tyler is already very familiar with CPS and brings considerable experience to our school community. Mrs Tyler will be teaching Year 5.

Mrs Spradbrow will take over as our Learning and Support Teacher and will be working closely with classroom teachers to support the spectrum of student learning needs across K-6. Mrs Spradbrow will be responsible for the coordinated delivery of gifted and talented programmes through extension and enrichment opportunities, tiered intervention, ESL, curriculum support, student wellbeing initiatives and assessment schedules. Mrs Spradbrow would be delighted to talk to you about your child's learning needs.

CPS CO-CURRICULAR

Our co-curricular programme supports holistic educational opportunities available to all our students. The level of participation continues to be extremely pleasing across the range of activities. If you have any questions about involvement in co-curricular activities, please do not hesitate to contact Miss Carroll. School based co-curricular activities are cost free and accessible to all students across K-6.

If you would like to be part of your child's class communication group, please email your class parent representative and please do not hesitate to contact me if you have any questions.

As Principal of Chifley PS, I strongly believe that education is a shared journey. My office door is always open if you would like to discuss any issue regarding your child's education.
